Thursday, May 16

whole-day

European Maritime Day

The European Maritime Day (EMD) is the annual event during which Europe's maritime community meet to network, discuss and forge joint action. It targets maritime professionals, entrepreneurs and ocean leaders.

This year the event will take place on at the Lisbon Congress Centre.

The focus will be on blue entrepreneurship, innovation and investment to transform traditional maritime sectors and boost emerging technologies and value chains. A specific focus will be on research and innovation for a plastics-free ocean.
