Next steps

- Reinforce the technical capacity of the maritime administration:
 - Human Resources;
 - E-tools
- New online services availability
- Legislation of inland dangerous goods transportation (ADN)
- Improvement of the technical framework for small commercial vessels (<500GT & Yacht)
- Leading position on sustainable and environmental friendly solutions towards the international institutions (IMO & EU Commission)
- Support the industry with comprehensive legal framework regulating innovation, namely on neutral emission and digital transformation

**PORTUGAL FLAG HEADING
TO EUROPE'S TOP 3**

DGRM

Shipowners

- The choice of Portuguese Flag by shipowners it's a wise choice and we want to continue to justify your preference.
- Count on us to continue improving the Portuguese Flag, modernizing our ports and providing competitive, green and advantageous services.
- A quality flag with satisfied shipowners is our challenge.
